<td>MAKS-2019 Congress Centre Gromov Hall</td>
</tr>
</tbody>
</table>

**Organizer:** ANO "Analytical Center "AERONET""

**Moderator:** Sergei Aleksandrovich Zhukov, Working group leader (co-director) of Aeronet NTI, Director of ANO "Analytical Center "AERONET""

**Commission Meeting**
on the development of the air navigation system of the Russian Engineering Union.

**Organizer:** Office of the Commission for the Development of the Air Navigation System of the Russian Engineering Union  

**Moderator:** Adil Abukovich Saidov, Chairman of the Commission for the Development of the Air Navigation System; Member of the Bureau of the Russian Engineering Union; Member of the Association of the League of Assistance to Defense Enterprises Association; Advisor to the General Director of Rostec State Corporation

**Meeting of the Committee**
for Integrated Security at Domestic Industrial Enterprises of the "League of Assistance to Defense Enterprises" Association  

**Topic:**  
"On ensuring fire safety of industrial enterprises on the basis of an integrated approach".

**Organizer:** Office of the Committee for Integrated Security at Domestic Industrial Enterprises of the "League of Assistance to Defense Enterprises" Association  

**Moderator:** Vladimir Petrovich Kapysh, Chairman of the Committee for Integrated Security at Domestic Industrial Enterprises of the "League of Assistance to Defense Enterprises" Association, CEO of SIBER JSC

---

**28th of August, 2019, Wednesday**  

**Workshop**  
"Technical writing and translation: the interaction between Simplified Technical English and the Russian language"

**Organizer:** Aerospace Gateway, Italy  

**The purpose** of this workshop is to show the interaction between a Natural Controlled Language (ASD Simplified Technical English, ASD-STE100 (STE)) and the Russian language when applied in technical writing and translation.

**AIRBUS Press Conference**

**International Youth Forum**  
"The future of aviation and cosmonautics in the hands of the young Russia".

**Organizer:** Ministry of Science and Higher Education of the Russian Federation, Aviasalon JSC, Russian Mechanical Engineering Industry Association, Aero Engines Manufacturers Association, «National Unified Aerospace University» Association, Soloviev Rybinsk State Aviation and Technical University, UEC NPO Saturn, PJSC  

**Moderator:** Tatiana Dmitrievna Kozhina, Vice Rector for Science and Innovation of Soloviev Rybinsk State Aviation and Technical University

**Internationale Conference**  
"German Aerospace Technologies: Civil Aviation"

**Organizer:** German-Russian Chamber of Commerce (AHK)  

**Moderator:** Matthias Schepp, CEO, German-Russian Chamber of
**Content:** The conference will be opened by short welcoming speeches of German and Russian high-ranking representatives from the Federal Ministry for Economic Affairs and Energy (BMWi), the German Aerospace Industries Association (BDLI), the Russian-German Chamber of Commerce, and the United Aircraft Corporation (UAC).

Within short elevator-pitches representatives of German aerospace companies will introduce products and services of their companies (ADZNAGANO GmbH-Gesellschaft für Sensortechnik, Deutsche Edelstahlwerke Sales GmbH & Co. KG, Innovint Aircraft Interior GmbH, ILFA Industrieelektronik und Leiterplattenfertigung aller Art GmbH, Autoflug GmbH, Tagueri AG, HEGO Drehtechnik GmbH, HEGO Drehtechnik GmbH, RÖDER Zelkysteme und Service GmbH, Airbus).

**Speakers:**
- Matthias Schepp, CEO, German-Russian Chamber of Commerce (AHK)
- Kai Wagner, Department Aerospace, Federal Ministry for Economic Affairs and Energy (BMWi)
- Arndt Schönenmann, Vice President Equipment and Materials, German Aerospace Industries Association (BDLI), General Director, Liebherr – Aerospace Lindenberg
- Representative of Airbus
- Representative of United Aircraft Corporation (UAC)

**Presentation**
"Safety and AC Certification: lessons learned"

**Organizer:** ALD Ltd. Advanced Logistics Development

**Moderator:** Olga Tzadikov, Director, International Business Development, ALD

**Speaker:** Dr. Zigmund Bluvband, ALD President Development

**Target audience:** aircraft developers, persons responsible for type certification, reliability and safety specialists, top management of aircraft developers

**Section**
"Scientific tasks of the World-class Science Centre "SVERKHZVUK""

**Organizer:** Zhukovsky Central Aerohydrodynamic Institute with the support of the Ministry of Science and Higher Education of the Russian Federation, Ministry of Industry and Trade of the Russian Federation and the Administration of the Moscow Region

**Within the section:**
**Final of the IV competition of innovative projects in aerospace industry**

With the support of the Ministry of Science and Higher Education of the Russian Federation, the Ministry of Industry and Trade of the Russian Federation, the Government of the Moscow Region, the Fund for Infrastructure and Educational Programs, the Innovation Assistance Fund, the Skolkovo Foundation, the Skolkovo Institute of Science and Technology and the National Research Center "Zhukovsky Institute"
### Competition Chairman: Boris Sergeevich Aleshin, Chairman of the Supervisory Board of the National Research Center "Zhukovsky Institute"

| 12.30-14.30 | **Round Table,** dedicated to the 130th anniversary of the birth of Igor Ivanovich Sikorsky, an outstanding designer, the Russian genius of world aviation, the inventor of the world’s first four-engined aircraft.  
**Organizers:** Aeronautical Engineering Union Association, Aviasalon JSC  
**Moderator:** Victor Mikhailovich Chuiko, AEUA president | MAKS-2019 Congress Centre Sikorsky Hall                                    |
| 15.00-17.00 | **“Kronstadt Group” LLC Event** | MAKS-2019 Congress Centre Gromov Hall                                     |
## Presentation

**Presentation**

«Zhukovsky international airport: A Look to the Future»

**Organizer:** JSC “RAMPORT AERO”

**Moderator:** Rolandas Rakauskas, JSC "RAMPORT AERO", Director of Commercial Department

**Themes to be discussed:**

- Presentation of the concept of airport complex development in 2019-2025. Prospects of passenger and cargo transportation.
- Development of tourist passenger transportation.
- Expansion of existing partnerships.
- Attracting new aviation and non-aviation contractors and tour operators.

**Speakers:**

- Thomas Vaisvila, JSC "RAMPORT AERO", CEO
- Evgeny Solodilin, JSC "RAMPORT AERO", first Deputy of CEO, JSC "ZIA KARGO", CEO
- Rolandas Rakauskas, Director of Commercial Department

### Location

MAKS-2019 Congress Centre Gromov Hall

## Conference

**Conference**

«Unmanned Aircraft System – from present to future»

**Organizer:** Association of Operators and Developers of Unmanned Aerial Systems

**Moderator:** Gleb V. Babintsev, General Director

**Purpose:** The conference will consider conceptual approaches to the future organization of UAS application, taking into account safety issues, infrastructure and promising areas of application in oil and gas, power grid and other areas.

- Discussion of the principles of effective and safe organization of transport and monitoring systems using UAVs.
- Discussion of the possibility of unifying the requirements for the use of UAS in the oil and gas and power grid sectors and the minimum composition of such requirements.

**Speakers:**

- Sergej Grigorievich Pyatko – NITA Company
- Representative of The Ministry of Transport of Russia
- Representative of Rosaviation
- Representative of the Ministry of Industry and Trade of Russia
- Sergej Nikolaevich Gureev – Gazprom Neft PJSC
- Nikita Vladimirovich Sivoj – Gazprom Neft PJSC
- Sakir Danila – NLMK PJSC
- Dmitrij Vadimovich Fadin – Invitro LLC
- Albert Ruvimovich Efimov – Sberbank Robotics Laboratory
- Georgiy Georgievich Bautin – Russian Post
- Representative of Rosneft PJSC
- Representative of Lukoil PJSC
- Representative of ROSSETI PJSC
